RJG Training is offered as an In-Plant option.

This can be a considerable cost savings for companies who are planning to train five or more employees.

Grant money is available in most states to offset training costs.

Systematic Molding I and Master Molder I course books are available in Spanish and Mandarin Chinese by request at registration.

For more information contact RJG's Training Coordinators at 231-947-3111 ext.175 or training@rjginc.com
